chess®

SAVING MONEY, INCREASING PERFORMANCE AND IMPROVING CUSTOMER SERVICES ARE LIKELY THE TOP PRIORITIES FOR ANY BUSINESS. ADDED TO THAT ARE CONCERNS OVER SECURITY, THE DEMAND FOR REMOTE WORKING AND SUPER-FAST SUPPORT.

At Chess we have listened to the demands of our 40,000 small and mid-market business customers and created a simple, affordable IT bundled solution to suit your preferences and your pocket.

Stay connected and protected with Connect Bundles

Charged per user per month you can have everything you need for the ultimate secure, digital collaboration solution that suits your budget.

Our unique bundles will ensure your organisation, your people and your customers have the technology and support needed to stay connected and protected, wherever they are.

One single, affordable and simplified solution that delivers:

- Reliable internet access
- Market leading mobile tariffs
- Business-grade telephone functionality
- Microsoft Office 365 hosted in the cloud and available wherever and whenever you are
- Cybercrime fighting software

ICT

PRODUCT
Connect Bundle

Microsoft Office 365

YOUR COMPLETE OFFICE IN THE CLOUD – WORK SEAMLESSLY WITH THE PROGRAMS YOU KNOW AND TRUST ANYTIME, ANYWHERE.

- A set of web-enabled tools
- Access your email, documents, contacts, tasks, calendar, web conferencing and file sharing anytime, anywhere, on any device
- Create content, share information and work together better
- Always up to date version of Office
- Maximise advantages offered by the cloud

CyberSecurity

PROTECT ALL OF YOUR ORGANISATION'S DEVICES, SIMPLY WITH GARTNER MAGIC QUADRANT NEXT-GEN PROTECTION. AVAILABLE WITH ON-PREMISE OR CLOUD DEPLOYMENT.

Anti Malware

Viruses, Worms, Trojan Horses, Spyware – all varieties of malware which, if allowed to access your systems can result in loss of data, have significant financial implications and catastrophically disrupt operations.

- Blocks malware and infections by identifying and preventing the handful of techniques and behaviours used in almost every exploit, without the need to rely on signatures
- Catch zero-day threats without adversely affecting the performance of your device
- By correlating threat indicators, anti malware technology can block web and application exploits, dangerous URLs, potentially unwanted apps, and malicious code from ever touching your endpoints

Anti Ransomware

Ransomware needs no introduction. It has fast become the most prevalent threat to your business today, Connect Bundles:

- Use ground-breaking and award-winning technology
- Block all known ransomware on the planet
- Easy Deployment & Management
- Augments your existing antivirus software

Cloud PBX

YOUR BUSINESS PHONE IN THE CLOUD

Internet Access

BOOST YOUR BUSINESS CONNECTIVITY

BETTER COMMUNICATION, SIMPLIFIED SUPPORT AND REDUCED COST.
BRING YOUR BUSINESS INTO THE DIGITAL AGE.

Internet connectivity is a key success driver for any successful organisation. A secure, reliable and powerful Internet connection not only keeps you better connected to customers, suppliers and employees, it can radically boost business productivity and growth.

Choose from a range of broadband or fibre options:

**FTTP Internet:
Fibre to the Premises**

Includes full fibre solution, high-speed broadband, easy installation and 24/7 UK-based support.

**FTTC Internet:
Fibre to the Cabinet**

Includes up to 76Mbps downloads and 20 Mbps uploads, unlimited super-fast internet access and 24/7 UK-based support.

**ADSL Internet:
Asymmetric Digital Subscriber Line**

Our lowest cost broadband solution for SMBs. Up to 17Mbps download and 1Mbps upload, choose your preferred provider, gain unlimited internet access, access our business support and take advantage of a free router.

Support

CHESS WILL WORK WITH YOU TO UNDERSTAND YOUR ORGANISATION AND CREATE A BUNDLE PACKAGE THAT IS TAILORED TO YOUR BUSINESS, RELIABLE AND SECURE.

Choosing the right partner can help unlock return on your IT investments and give you peace of mind that your IT infrastructure remains secure and available. Chess has become one of the most trusted brands in the industry. We pride ourselves in the quality we deliver and have a team of experts working solely on ensuring our products and services are unrivalled within the industry.

"My Portal" gives you a single pane of glass view into your ICT performance, ensures regular health checks are in place, pre-empts problems and vulnerabilities before they can harm your business. Proactive support helps you manage and futureproof your IT infrastructure, so when your business grows so does your IT.
