

Licensing Review

As a Gold accredited Microsoft partner, Chess is part of Microsoft’s Technology Adoption Program (TAP) that allows our consultants and licensing experts to provide a comprehensive and customer-centric Microsoft service.

The Chess **free-of-charge** Microsoft Licensing Assessment is designed to offer unrivalled visibility across the desktop estate and public cloud; helping customers achieve their business objectives **on time**, and **in budget**.

- Identify cost-savings across Microsoft 365, Azure and on-premise agreements.
- Visibility of current License Position.
- Breakdown of current Software Assurance Entitlements.
- Identify product usage, adoption and compliance across department, location and business unit.
- Clarity when right-sizing future renewals and scoping future Microsoft projects.
- Review of available workshops, funding and POCs available by Microsoft.

The Process

A Chess Microsoft License Review will provide absolute clarity on the current licensing position and how best to align current technology and entitlements to future business objectives.

With **over 15 Microsoft Gold Competencies**, Our Microsoft 365 services are designed to help you make the most out of your Microsoft investment and focus on enhanced features delivery, including security and Power Platform. We can also help you with cloud migration projects, Microsoft 365 deployment and optimisation.
