# Work Better Together and Reduce Your Costs

## with our **FREE Sage Consultation**

The Chess free-of-charge Sage Consultation is designed for organisations who want to make the most of their Finance solution. The engagement will help you connect your people, work better together and reduce your costs.

### During the 30-minute conversation, our experts will:

- Identify your business objectives and current technology challenges
- Discuss compliance and regulatory requirements within your industry
- Review data quality and management practices
- Review of available workshops, demos, proof of concepts and further engagements

### Key Benefits

Identify how to automate manual business processes

Discover cost-saving opportunities

## What our customers say about their cloud communications

“Our project wasn’t the easiest... but Chess helped us every step of the way, and I would thoroughly recommend them for their Sage knowledge, technical skills and customer support.”

## How we work with you

### Consult

Based on your requirements, we’re able to advise on the cloud communications solutions needed.

### Deliver

We’re Voice specialists, so you can be sure that we’ll get you connected and collaborating on time and on budget.

### Adopt

Our team of consultants will ensure adopt the new technology to get maximum return on your investment.

### Support

Our support team will help you with technical faults and our Customer Portal allows you to raise and manage tickets easily.

## Why Choose Chess?

- Organisations from all sizes and sectors trust us with their Sage systems
- We are Sage experts with over 25 years of experience in the technology sector
- We are ISO 9001:2015, ISO 27001 accredited
- Our people boast the latest accreditations from leading industry bodies.
- As a Strategic Sage Business Partner, we work closely with Sage and select Sage developers to help customers implement the right solution based on their needs and budget.
